Dear Supervisors:

**COUNTY FLOOD CONTROL DISTRICT FUNDING AGREEMENT
IMPLEMENTING APPROVED DISTRICT FUNDING FOR
FRANK G. BONELLI REGIONAL PARK, PECK ROAD PARK,
AND VARIOUS TRAILS FOR FISCAL YEAR 2004-05
SUPERVISORIAL DISTRICTS 1 AND 5
3 VOTES**

**JOINT RECOMMENDATION AS THE GOVERNING BODY OF THE LOS ANGELES
COUNTY FLOOD CONTROL DISTRICT WITH THE DIRECTOR OF PARKS AND
RECREATION THAT YOUR BOARD:**

1. Find that the funding agreement is exempt from the California Environmental Quality Act (CEQA).
2. Instruct the Chairman of the Board and the Chairman of the Flood Control District to sign the funding agreement and execute the sublease on behalf of the County and the District.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Section 2-15 of the County of Los Angeles Flood Control Act authorizes the expenditure of District funds for the preservation of recreational features on District properties. District funds can also be spent for preservation of recreational features on lands contiguous to District property if the District acquires interests in such lands and if the

Board finds that such acquisition is necessary to preserve recreational features. The Departments of Public Works and Parks and Recreation have worked together to identify two parks that are eligible to receive District funds. As required by the Flood Control Act, these parks are either on or contiguous to District facilities.

This agreement authorizes District funding for the operation and maintenance of Peck Road Park, which property is already owned by the District, and for Frank G. Bonelli Regional Park which is subject to the execution of the enclosed sublease. Under a prior agreement that expired on June 30, 2004, the District provided annual funding to the Department of Parks and Recreation for these purposes. This agreement continues District funding to the Department of Parks and Recreation for Fiscal Year 2004-05.

The enclosed sublease, which your Board is being asked to approve contemporaneously with the funding agreement, continues a lessor/lessee relationship between the County and the Flood Control District. The sublease, whose inception was in January 1995, allows the District to acquire an interest in the property so that it can enter into a funding agreement for that property.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as this funding agreement will provide sufficient monies for the Department of Parks and Recreation to continue to maintain recreational features at these parks. This action also satisfies the goal of Service Excellence since providing these recreational facilities improves the quality of life in the County.

FISCAL IMPACT/FINANCING

The total cost to the District is \$3,900,000 for Fiscal Year 2004-05.

The funding agreement is based on County operation and maintenance of these parks, with the District to reimburse the County actual allowable costs incurred during the term of the agreement up to a maximum reimbursement of \$3,900,000. Sufficient funds to cover the District's costs under this agreement are available in the Fiscal Year 2004-05 Flood Control District Budget.

The funding agreement provides that the County will indemnify the District from any liability as set forth in the agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

It is the intention of the parties that the Bonelli Park sublease between District and County should be renewed before District reimburses the County for any actual costs incurred under the subject agreement. The funding agreement and the sublease have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Class 1, Subsections (c), (d), (j), (r), (s), and (x) of the Revised Environmental Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15301, Class 1 (h), and Section 15061 (b) (3) of the State CEQA Guidelines, this program is categorically exempt from the provisions of said act because it solely provides for funding of maintenance and operations of public park facilities.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This agreement continues the prior funding agreement. As such, current services will not be impacted.

CONCLUSION

Please return one adopted copy of this letter and one fully executed copy of the funding agreement to Parks and Recreation and Public Works.

Respectfully submitted,

DONALD L. WOLFE
Interim Director of Public Works

RUSS GUINEY

WHEREAS, said PARKS AND TRAILS are either located on DISTRICT property or are contiguous to DISTRICT property; and

WHEREAS, in order to facilitate said DISTRICT funding for the preservation of recreational features at BONELLI PARK, COUNTY needs to renew the BONELLI PARK sublease for funding purposes at BONELLI PARK; and

1. Subject to the terms and conditions of this AGREEMENT, DISTRICT shall reimburse COUNTY for ACTUAL COSTS incurred during the term of this AGREEMENT for certain of the COUNTY'S operation and maintenance expenditures at said PARKS AND TRAILS. The total of all DISTRICT reimbursements made pursuant to this AGREEMENT shall not exceed the sum of three million nine hundred thousand dollars (\$3,900,000) per fiscal year.

In no event shall any provision of this AGREEMENT nor any obligation or liability imposed either directly or indirectly by or because of this AGREEMENT obligate DISTRICT to expend any monies in excess of the amounts indicated within this Section.

2. ACTUAL COSTS shall consist of and be limited to actual costs incurred at said PARKS AND TRAILS for Trails Maintenance, Grounds Maintenance, Building Maintenance, Utilities, Lifeguards, and Safety Police and shall include currently applicable percentages added to salary, wage, and equipment costs to cover overhead, administration, and depreciation in connection with any or all of the aforementioned items. 8. This AGREEMENT shall commence upon execution and end June 30, 2005.

9. In executing this AGREEMENT, the DISTRICT is merely providing funding for the preservation of existing recreational features at COUNTY PARKS AND TRAILS. Consistent with the nature of this AGREEMENT as strictly a funding mechanism, it is the intention of the parties hereto that neither DISTRICT, nor any officer or employee of DISTRICT, shall be liable for any damage, cost, or expense which relates to, arises out of, or is in any way connected with this AGREEMENT or with any of the PARKS for which funding is herein provided as a result of this AGREEMENT.

10. COUNTY agrees to indemnify, defend, and save DISTRICT, its agents, officers, and employees, harmless from and against any and all actions, causes of action, liability, expense (including any and all legal costs, attorney fees, and litigation expenses), and claims of any nature whatsoever, including but not limited to actions, causes of action, liabilities, expenses, and claims for bodily injury, death, personal injury, or property damage, which relate to, arise out of, or in any way are connected with this AGREEMENT, the execution of this AGREEMENT by the parties hereto, or the ownership, control, operation, and/or maintenance, including any acts or omissions relating thereto, of any of the PARKS AND TRAILS, including any and all facilities, structures, natural conditions, improved conditions, and hybrid natural and artificial conditions located thereon, by reason of the funding which is herein provided.
